

# THE FRAZER CENTER

*Serving Children and Adults with Disabilities since 1949*

June 29, 2009

Dear Community Member,

Cynthia Byrd Turner  
Executive Director

The Frazer Center is a non-profit, 501c3 organization located in the Lake Claire community, serving children and adults with disabilities since 1949. The children's program serves over 180 children, ages six weeks to five years, who have a variety of special needs including Down syndrome, Autism and other developmental delays. The Frazer Center is unique because it provides an inclusive program that serves both typically developing and children with special needs. It features a multifaceted program, which exists to maximize the potential of individuals by providing quality, comprehensive family and community based services, research and training. The Frazer Center relies heavily on grants and fundraising activities in order to continue and improve the much needed services they provide to the community.

Each year, The Frazer Center hosts a **Fall Festival** attracting families from all over the metro Atlanta area featuring pony rides, games, entertainment, crafts, train rides, food, and more. The **Silent Auction**, held during the Fall Festival, is the main fundraiser benefiting the children's program. Last year, funds raised from the Silent Auction enabled the children's program to fund a therapy room for use with children who have special sensory needs, teacher scholarships, and an art enrichment program, just to name a few.

**This year, the Fall Festival and Silent Auction will be held on Sunday, October 25, 2009 in the Cator Woolford Gardens located on The Frazer Center campus. We are contacting you in the hopes that your company will be willing to make a tax deductible contribution of goods or services to use in our Silent Auction. Your donation will not only benefit many children, but will also demonstrate your support of this worthy cause and may result in new customer relationships.**

If you have any questions regarding this event and your potential donation please call 404-377-3836 ext. 18 or e-mail [c.thomas@thefrazercenter.org](mailto:c.thomas@thefrazercenter.org). We will be happy to arrange to pick up any donation, or you may mail a certificate to:
