## 10<sup>th</sup> Annual Golf Classic

---

**What ►** The Frazer Center's 10<sup>th</sup> Annual Golf Classic at East Lake Golf Club. All proceeds from the Golf Classic will directly benefit the adults and children with disabilities who are enrolled at The Frazer Center. Come and enjoy a great day on the course while supporting a great cause.

**When and Where ►** TUESDAY, May 3, 2011 at East Lake Golf Club. East Lake Golf Club has a long and rich history. It was the home course of the legendary Bobby Jones, winner of the 1930 Grand Slam of golf. It has hosted many major events including the Ryder Cup, U.S. Men's and Women's Amateurs and is the permanent home of the PGA Tour's season-ending finale, The Tour Championship. This challenging, but fair course, was designed by Donald Ross and updated by Rees Jones in 1995. It is a classic course ranked by both "Golf Digest" and "Golf Magazine" as one of the Top 100 Courses in the U.S. and world. All golfers will enjoy their round at this beautiful facility.

**Who We Are ►** The Frazer Center provides quality and caring services to young children and adults with developmental disabilities, such as cerebral palsy, spina bifida, Down syndrome, autism spectrum disorders, sickle cell anemia and other genetic anomalies and developmental delays. The Child Development Program also serves typically developing children in its program of full-inclusion. The Frazer Center is a nonprofit 501(c)3 organization that assists children, adults and their families with therapeutic, educational and vocational services that maximizes their potential for independence.

**Tournament History ►** In the history of this tournament, we have been honored to be hosted at some wonderful clubs including Piedmont Driving Club, Druid Hills Golf Club and now East Lake for the 5<sup>th</sup> time.

**Event Details ►** Your participation will include PGA-trained caddies as well as lunch, player gifts and a post-round awards ceremony. Several holes will have contests including longest drive, putting and closest to the pin. The top three foursomes also will receive awards. Every player will play his or her own ball. The two net best ball scores per hole from each foursome will be used to determine the winning foursomes.
